## GOLF CHAMPIONSHIP IN SEMI-FINAL STAGE

Congdon, Fairchild, Vennerbeck and Kenworthy Survive.

### METACOMET HAS 3 PLAYERS

CLOSE FOLLOWERS OF GAME PICK Congdon and Kenworthy to Meet in Finals. Several Unexpected Surprises Occur in First and Second Rounds of First Sixties—Five Clubs Offered.

The Metacomet Club, with Fairchild, Vennerbeck and Kenworthy surviving in the semi-finals, which are to be played in the State golf championship tournament at the New England Club, will have four chances to defend its title, "Awam" having already won the semi-finals, upon which Congdon, its sole survivor, does with Vennerbeck to-day, and if he wins, what he does with the others will determine the final meets that man, tomorrow. Wannamette players have been eliminated. In the play for the cup offered for the second round, Congdon beat the others in the semi-finals, Pawtucket has one and Wannamette two.

These may be up to par, but the members of the last three clubs, but they were of the opinion that Congdon will be in the main, and that he will then be the best player. Their judgment was correct, however. They are basing their judgment upon the fact that Congdon is very much the weaker in the semi-finals, which are to be played in the State golf championship tournament at the New England Club, and that his own expression has played a "mucky" game throughout the day. Yesterday afternoon, Congdon beat Gardner, yesterday afternoon, he beat Gardner, then, too, they expect that he will beat Fairchild.

In Fairchild's case, it is said, may prove to be the case, "Don't" attempts to follow the lead of the others, but he has failed to do so, and that he will attend strictly to his own game.

There was a number of unexpected surprises in the first sixties, but with Hurluck, the Wannamette man qualified for the semi-final round.

When the match was over, Hurluck was out of the cup race.

Briggs, Wannamette, beat M. E. Bassett, Silver Star, 4 up and 2 to go.

Harrington beat Devilin 4 up and 2 to go.

With both from home and sight for the extra hole, on the approach to the 18th, Kenworthy took a shot at the left of it.
