

RHODE ISLAND GOLF ASSOCIATION

Merger Signals a New Era for Rhode Island Golf Community

The Rhode Island Golf Association (RIGA) and Rhode Island Women's Golf Association (RIWGA) have announced a merger. First proposed last spring to enhance services and more effectively meet the changing demands of present and potential golfers, approval was voted on by both Boards of Directors last fall. In 2014, the 100th anniversary of the RIWGA, both men's and women's golf services and tournaments will be provided by the RIGA.

Originating in 1902 and 1914, respectively, RIGA and RIWGA, worked individually to provide events for golfers of all abilities and ensure that Rhode Island golfers could compete both at the highest levels locally and nationally. With both associations working on parallel paths, a merger made sense in order to allow the two associations the opportunity to serve all Rhode Island golfers, regardless of gender or ability, with enhanced efficiency and greater opportunities to play all RIGA member clubs.

"I would like to thank all who were involved in the process of merging associations. The merger now allows the Rhode Island Golf Association to provide golfing opportunities to all members of RIGA member clubs regardless of gender or ability. Both men and women will have access to all courses in Rhode Island," said Bob Ward, RIGA's Executive Director.

"I'm very excited and feel extremely fortunate to be involved in an organization that promotes the game of golf equally for all who would like to participate. In the 2014 season, it will be exciting to see how the merger will provide opportunities for significant movement in the future of golf in Rhode Island," added Lee Kathryn DeCosta, Director of Women's Golf and Member Services.

No changes to the Championships of either association are anticipated. More than 20 men's and women's championships will be held in 2014 along with nearly 50 weekly play dates. The charitable programs of both associations will remain intact as well. Scholarships will continue for qualifying students through the John P. Burke Memorial Fund and the RIWGA Junior Scholarship. The Button Hole short course and teaching center will continue to introduce the joy of golf to area youth.

Men and women looking to find out more about RIGA membership, services, tournaments and/or charitable programs may do so by visiting www.rigalinks.com or calling 401-272-1350.

RIGA Announces New Director of Women's Golf and Member Services

Lee Kathryn DeCosta has been named Director of Women's Golf and Member Services for the Rhode Island Golf Association (RIGA). In her new position, DeCosta will be responsible for member recruitment, scheduling, and management of RIGA's women's golf tournaments along with handicapping and course rating.

DeCosta brings a wealth of experience to the position having worked in the golf industry for 18 of the past 20 years, most recently as buyer and office assistant at Wanumetonomy Golf and Country Club in Middletown. Her experience includes work in sales and promotion, member service, golf shop management and buying, and staff training. In her former position with the Carnegie Abbey Club, DeCosta traveled extensively to assist in the opening of new golf resorts in England and the Bahamas. She is a 2000 graduate of Saint Anselm College where she participated on the men's golf team.

Women's golf services are now available at the Rhode Island Golf Association as a result of the association's recent merger with the Rhode Island Women's Golf Association. DeCosta will be the inaugural Director of Women's Golf and Member Services under the new organizational structure. A resident of Portsmouth, Rhode Island, DeCosta assumed her new RIGA duties on January 6, 2014.

A Message from the Executive Director

Bob Ward

As the RIGA prepares for its 112th golf season I would like to thank everyone involved who helped and supported the association during the 2013

season - member clubs, their boards, golf pros, superintendents, support staff, members, volunteers and players. The RIGA had a successful year and contributed \$265,000 back to its member clubs.

Exciting times are ahead for the RIGA with the announcement of the merger with the RIWGA. Women from all RIGA member clubs public or private will now have the ability to compete with and against one another. During the women's amateur this summer at Agawam Hunt the RIGA will celebrate what would be the RIWGA's 100th anniversary. As part of the merger we have hired Katie DeCosta to run women's events and help clubs with GHIN products. Katie comes to the RIGA with a wealth of golf administration working for John Frizzell

at Wanumetonomy for most of the last 15 years.

I would like to recognize the contributions to the RIGA of Jules Cohen for the last 25 years. Jules came to the RIGA when Joe Sprague Sr. was in charge and the USGA GHIN products were becoming more streamlined into the computer world. Anyone who has dealt with Jules over the last 25 years would agree that he was nothing but a professional who always went above and beyond to help the RIGA, member clubs and its members. Thank you to Mr. Cohen for all your hard work and dedication over the years.

Speaking of a Sprague, I would like to congratulate Joe Sprague Jr. for his new appointment as the USGA Northeast Regional Affairs Director. Lucky for us a good part of Joe's work is dealing with golf associations in our area. It's an honor to have Joe's knowledge and background in the golf industry right on our doorstep.

Congratulate to all the 2013 RIGA champions and all who participated in one or more events. It was exciting to see many 1st time winners throughout the season. It's always good when new

faces show up in the winner's circle. It is nice to see such talented players at a young age competing as 13 year old Patrick Welch won the Junior Amateur and made match play in the Amateur Championship. Caroline Farber made her first career hole in one while on her way to winning the Mixed Foursomes with partner Josh Helm. Veteran and fierce competitor Paul Quigley shot 67 in the first round of the Stroke Play Championship, one shot lower than his age.

The 2014 championship schedule is full of great venues for all RIGA events. If you've never participated in a RIGA event give it a try. The competition and camaraderie within our golfing family is like no other.

As always the RIGA must support our charitable partners in golf. Button Hole, the Burke Fund and the RIWGA Junior program are all valuable assets to the golfing community. Please feel free to either contribute or volunteer to one or more of our partners to keep the wonderful game of golf viable in the future.

A Message from the President

Peter McBride

It is my great honor to address you today as the President of the RIGA for the 2014 season. As a member of the association for 46 years, I feel very fortunate to hold

this office. The 2014 golf season will be an historic year for the RIGA. As you know, we have recently merged with the RIWGA. I believe this is a great move for promoting golf in Rhode Island.

It will take a great amount of work to make this merger a success, but I know we are headed in the right direction.

We have tremendous leadership with an Operating Committee consisting of Luke Hyder, Dr. Vincent Cavallaro, Kevin McLoughlin, Mike Montigny and immediate past president Ted Greene as well as an Executive Board which now includes past Presidents of the RIWGA. Also, in the RIGA office, we still have Bob Ward, Jim McKenna, Kate McCurry and newly hired Director of Women's Golf and Member Services, Katie DeCosta. By working together with this great team, I am confident we are in a position to make this the greatest golf season in the history of Rhode Island.

We have a very strong Major Tournament Schedule this year where our men, women and juniors will be competing on some of the finest courses Rhode

Island has to offer. Highlights of the year will be our Men's Championship at Montaup Country Club and our Women's Championship at Agawam Hunt. We also have a fine Weekly Invitational Program. This year there are 5 packages each consisting of six excellent courses. The packages are open to all members of the RIGA.

Lastly, when I look at the list of past presidents, I see the names of men who have excelled in golf both on and off the course. They are the people who have made the RIGA the great golf association it is today. I can only hope that I will be as successful as these great men. I wish you all a healthy and warm winter and I will see you in the spring.

2014 Weekly Invitational Packages

Registration for the 2014 RIGA Weekly Invitationals will be the same process as it has been in recent years.

The program is open to all members of a RIGA member club and players are required to sign up as a foursome. The designated captain will be the contact for each group. Captains are asked to ensure that each player join the RIGA member program before the first event. When completing the registration form please include the email address of each player in the group. This will help with communication in the event something changes for a given weekly.

The only applications that will be considered are those that arrive via U.S. Postal Service Mail postmarked no earlier than **February 26th**. Tee times will range from 7:30-12:30. If early groups cannot keep pace the RIGA reserves the right to assign that group a later time.

The Stableford scoring system will again be used in an effort to speed up play for each round. The top 15 players, the highest point totals, from each round will accumulate points toward the Weekly Net Championship (October 14 – Montaup CC). Again, players will collect points for each hole with a net double bogey being the limit. Gift certificates for each weekly will be distributed by GROSS Stableford points within your handicap division. Points for the Weekly Net Championship will still be the top 15 NET Stableford point totals for each weekly. To be eligible for the Weekly Net Championship a player must turn in a card for four of the six weeklies. Players are not obligated to participate in the “point’s race”, but may choose to play in the weekly program on a noncompetitive basis.

Groups need to check in with the RIGA representative when ready to play. Any substitute players need to be changed so accurate scoring can take place. All scorecards should be turned into the golf shop once play is complete. The RIGA will again be posting all scores to the GHIN system.

The fee to participate in the Weekly Invitational program packages for 2014 will be \$1440.00 per package or \$360.00 per player and includes cart fees for each event. Credit cards will again be accepted as a form of payment, Visa or MasterCard only. Please complete the registration form completely if a credit card is used as the form of payment. If a Group would like to participate in multiple packages please indicate in the check box located on the bottom of the registration form. Packages are distributed on a first come first serve basis and multiple packages will be given out once everyone participating gets one package. The sign-up period will begin on Wednesday, **February 26th**. Any mail postmarked prior to **February 26th** will be returned. No USPS Express Mail will be accepted that was initiated prior to **February 26th**. “Walk-ins” to the RIGA office are NOT permitted. The RIGA office will inform the captains by mail & e-mail in late March. ↑
